**What we will do for you:** Help host an opening party June 17<sup>th</sup> from 5:30-8:30 as a networking opportunity for artists, as well as to kick off the declaration of The South End as an Arts District. This show will be listed in Art Map Burlington and in Seven Days. We will keep the show up throughout the month with scheduled open hours. The show will be promoted through postcards, e-blasts, blog entries, and Facebook events. We aim to keep a current email list of participants for networking events in the future.

**What we hope to get from you:** Complete the included submission form. Turn in work by the due date and during scheduled drop-off times unless you arrange otherwise. RSVP to the opening event and partake in promoting your work if you are around. Promote the event in your own ways through word of mouth, email, or Facebook, etc. Pick up work in a timely fashion during scheduled times. Stay connected, we love to hear what you are up to! Most importantly, have fun and show off or sell your work!
